Pupil Premium Impact 2016/2017

During the year we spent £36,800 in the following ways:

Emotional support through activities such as Play Therapy, Drawing and Talking etc

Free places at breakfast and after school clubs

Free lessons to learn a musical instrument

Personal resources and equipment

Free places on trips and additional activities such as sports clubs

Additional adult support for enabling greater progress in reading

Additional adult support within classrooms to support learning

ICT equipment and resources to support learning

Contribution to operational costs of mini-buses

Teacher observations and parental feedback showed generally high engagement in learning with positive well being of the pupils.

Across the whole school 26% of pupil premium children met the expected standard for the combined expectation in reading, writing and maths. 47% achieved the expected standard in reading, 37% in writing and 47% in maths. The increase in average points scored over the year for the group was slightly lower than the overall school average but all pupils demonstrated progress across the year in all subjects.
