

"Castles and Knights" Home Learning Challenges

Kingfisher & Wagtail Class ~ Term 2

	Activity	Evidence Ideas
1	Mathletics Challenge: use Mathletics on your home computer/tablet and see if you can earn 5 bronze certificates to earn a silver certificate!	Glue your certificates into your book and bring it to school to share! 
2	Design a Dream Castle...What special features will you include? Who is the castle for? 	Take a photo and label it's special features or draw your castle in your Home Learning Book. 
3	Seasons Challenge: Go on a winter walk and find clues that the season is changing from autumn to winter.	Draw and label what you find or stick in a photo from your walk. 
4	Castle Fact File Challenge: can you create an information page or poster about a specific castle, either in the UK or abroad? Can you use text boxes, headings, a labelled diagram and bullet points?	Stick in your fact file page and share one fact you learned to the class. 
5	Family Talk Time: If you were going to build a castle where would you build it and why?	Ask an adult to make a record of the conversation and stick it in your Home Learning Challenge Book.

Try and do as many challenges as you can this term and record them in your Home Learning Challenge Book. Complete ALL challenges by Wednesday 16th December and you get a prize and a certificate! Have fun learning together!
