

Maths

Can you solve the Elves dressing dilemma by clicking on the following link.

<http://www.iseemaths.com/christmas/>

Mathletics

Don't forget to log into your Mathletics account. How many points can you earn this week?

English

Look at the acrostic poem example below. This poem is made using the word 'Snowman'. Can you write your own? Perhaps you could choose another Christmas related word for your acrostic? For example Christmas, Reindeer, Santa. Have fun!

Creative

Can you make a Christmas decoration for your tree using recyclable materials you can find around your home? Maybe you can make a tree topper? Or a hanging decoration?

Have fun!

Postcard Time

Imagine you are Santa Claus in the North Pole. What would he write on a postcard to you? Is he busy preparing with his elves? Is he excited about eating lots of mince pies? You can complete your postcard on Purple Mash or you could even make one out of paper and add a picture to the front.

ELF STEM Challenges

Decorate the Tree

The elves can't reach the top of the tree.

Can you build them something to help?

TOP TIP: Build a lollystick catapult

Too Heavy!

Santa's sleigh is very heavy. Can you work out how many marshmallows or candy canes weigh the same as one elf on the shelf?

TOP TIP - use scales or make a coat hanger balance.

Wet Weather!

Oh no! It's raining and the presents in the sleigh are getting wet!

Can you create something to cover the sleigh and keep the presents dry?

Back on the Shelf

One little elf has fallen off his shelf.

Can you build him something to get back up?

TOP TIP - how about a ladder made from straws, or a hook made from candy canes.

Purple Mash Fun!

Reading

Log onto Purple Mash and have a go at reading 'A Campervan Christmas'. You could even get an adult to read the story to you. Can you complete the quiz questions?

Art

Type 'Christmas' into the search bar. Have a go at designing some Christmas labels. You could even complete the 'Make a Christmas Card' activity.

Decorate a Tree

Complete the 'My Christmas Tree' activity. Watch the clip. Draw a picture of your perfectly decorated tree and write a short description.
