Headteacher : *Mr Carl Fitter B-Ed(Hons) NPQH*

Springboard Maths group.

Your child has been chosen to be part of a new Maths group which is going to take place in school on Tuesdays and Thursdays. It is focussing on number skills and using games/activities to make Maths fun! This will be a smaller focused group so there is plenty of opportunity to practise their skills and to be supported by an adult. There will be some challenges sent home to practise, and we would be very grateful if you could support your child to complete these and return to school by Tuesday.

We understand that extra challenges at home can be a pressure but we feel that consolidating the learning at home will embed the skills and we hope that the children will 'want' to work on the challenges too!

We will assume that you are happy for your child to take part unless we hear otherwise. If you do not wish for your child to participate in these sessions, or if you have any further questions, please do contact me via the school office or via my email: hweston@wouldham.kent.sch.uk .
