Headteacher : *Mr Carl Fitter B-Ed(Hons) NPQH*

Lego Building.

Your child has been selected to be part of a Lego building Social skills group. The group will work with an adult and there will be no more than 3 children at each session. The group will work collaboratively on building projects taking in turns to have different roles within the group such as Engineer, builder and supplier. This gives the children opportunities to develop self-confidence and esteem and improve social communication skills.

We feel that the group would be really beneficial. It is a weekly session for 20 minutes, and is timetabled towards the beginning of the day so as to minimise disruption in class learning time.

We hope that you are happy for your child to take part. If you are not happy for your child to take part, please notify us as soon as possible.

If you would like to find out more about the sessions, then please feel free to contact me at the school and I will be happy to meet and answer any questions you have.

Yours Sincerely

Mrs H Weston (SENCO)
