**Newsletter April 2019**

Dear Parents/carers

Thank you for all your support with our events last term - it has proved to be a very busy term raising lots of money and has enabled us to give the school £7,000 towards the new school mini bus. What a fantastic achievement - thank you again to each and everyone of you for your contributions.

We have had a penny jar in the school reception for visitors and parents to donate pennies towards the new school mini bus. We have recently counted the donations and we are delighted to have raised so far £235.00. This jar will remain in the reception for continued donations.

The PTA committee all have outside commitments and are not at school on a daily basis, therefore are not always able to address queries or return refunds as quickly as you may like. The school office is not responsible for PTA funds, therefore may we suggest exact money be sent to us to stop any delays.
