

# Goldfinch Class

Hello and welcome to Goldfinch Class. We are enthusiastic, creative and bubbly class and always work to the best of our ability, ensuring we try hard to display the Fruits of the Spirit in all that we do. Mr Trevallion is the class teacher and our teaching assistants are Mrs Esgate and Mrs Fry.

Things are a little bit different in class at the moment, due to disruption caused by Covid-19 but we are trying our best to keep things as normal as possible where we can and to continue our love for learning.

## Our Themes

This year our themes will be Reading Gives you Wings, Castles and Knights, To the Moon, Out of Africa, From Plot to Plate and Buckets & Spades.

## Our Working Week

### *Daily Routines...*

Everyday Starling class enjoy the following:

- ✓ Worship
- ✓ Priority Time
- ✓ Maths
- ✓ English
- ✓ Guided Reading
- ✓ Being Active

PE days are currently Tuesday and Wednesday, however children need to have their PE kit in school at all times as we sometimes do PE on different days.

## Reading

Reading and being read to are the most important things you can do with your child and this should be done daily. Make reading interactive by asking questions about the story as well as making predictions about what might happen next.

Reading books are set via Bug Club, children will have one book a week online which will be updated on a Friday. We

encourage sharing of other texts that your children enjoy at home regularly.

Children will receive a 'bug' on a chart in class each time that they read their bug club book. There will be rewards given, relative to the number of bugs collected in a term.
