

Welcome to Goldfinch Class

Mr Trevallion

A big hello to all the children that are moving up from year 1 to year 2. I am Mr Trevallion and I am the new Goldfinch class teacher. You may have not seen me around school yet as I am new to Wouldham. I cannot wait to meet you all in September to do some amazing and fun learning together.

When I was at school, I loved anything to do with Art. There would always be my paintings or little things I have sewn all over my house. I am still as mad as I am about art 10 years later. When I am teaching, I will always try and find a way to do some art or something creative for our learning. I have heard the children here are very creative and I am very excited to see everyone's amazing skills and talent.

When I am not at school you can either find me busy on a craft project or spending time with my two cats, one of which is a very cute kitten. I also love anything to do with drama and dance. You will quickly find out that I love dancing, signing, and acting and try as much as I can to do all three, so you may find me dancing around the classroom quite a bit. But that is part of the fun we will all have in Goldfinch class. I have been incredibly lucky and not only have seen many West End shows but have also walked on the stage of Her Majesty's Theatre in London.

In our English work we will be using some drama to help our ideas and create some amazing writing. I am hoping to create a drama area in the classroom that we can all use and to show our amazing skills.

In my class one of my important rules is to have fun! When we learn together, I want to make it as fun as possible. When you come in you will see that our classroom is very bright, colourful, and welcoming. You will all have a special "bug" space on the carpet to sit on!

In Year 2 there are still lots of treats and amazing rewards for fantastic work. There will also be a special teddy that will help us with our work, and you can meet him in September.

It has been a shame that I have not been able to meet you all in person, but I have set some exciting work on purple mash as well as a summer bingo game below. I cannot wait to see what you have done for it. I hope you all have an amazing summer and I look forward to welcoming you back to school in September.
