What to expect

When we return, the theme for the first few weeks will be re-integration. This will give us all a chance to settle back into school life and get to know each other properly!

We will have Golden Time once a week. This has to be earned with good behaviour and fantastic work! If home learning has not been completed for the week, Golden Time will be used to catch up. We have a traffic light system in our class, just like Year 3.

Everyone starts at the green spot but if there is misbehaviour their name will be moved down to the amber spot, which is a warning. If this continues they will then be moved to the red spot which will result in loss of some Golden Time.

Children are expected to read daily this can be a newspaper article, the recipe for dinner, comic, book etc. Please send in their reading journals every day!

What can I do over the summer?

In Year 4, we like you to know all of your x tables up to 12 x 12. There are lots of things you can do to practice these at home!
