Year 7 admissions to Saint George's CofE school 2021

Dear parents and carers

Unfortunately, during these unprecedented times, we are unable to offer an Open Day for you to come and see what we do best; care for and support children to become the best they can. It is really frustrating that we can't showcase the community feeling and happiness that we experience at Saint George's everyday.

In order to provide you with some essential information we will be offering a virtual question and answer (Q&A) session hosted by our transition team, members of the leadership team and our SENCO. If you would like to ask a question (or several) please complete the Q&A form on our website by Friday 25th September. We are also releasing admissions information and a short film showcasing some fundamental aspects of our school; both of which will be available with the Q&A via the website in late September.

If you have additional queries following the release of these materials please do not hesitate to contact the school office office@saintgeorgescofe.kent.sch.uk Our aim is to support you as best as we currently can in making an informed decision about the next stage in your child's education.

Yours sincerely

Michelle Smith

Mrs M Smith
