Opting out of traditional Open Days was a difficult decision, not made lightly, but with the impact of Covid-19 still present, we follow our principle of Child First >> Child Safe >> Adult Safe, which ultimately puts safety above all else.

While we know just how much we will miss the chance to meet you, and discuss your child's next steps, we are excited to share all that we have to offer. Available for you to take a look around any time, any place; when it suits you and your family.

We know that our respective Virtual Open Days, using an array of interactive digital tools; from

our students' sharing an insight into school life, to helpful information on the admissions process, will capture the vibrant and stimulating learning environment delivered by both Holcombe Grammar and Rochester Grammars' excellent facilities; always with our inspiring students at the forefront.

You will also have the opportunity to hear from different teachers who will talk you through what to expect in lessons at both Holcombe Grammar School and Rochester Grammar School.

We hope you find them helpful.

Yours sincerely,
