### Play Phonics Frisbee

Ask an adult to write some words around the edge of a paper plate like the example below. If you don't have a paper plate at home you could always sellotape some /j/ words to a ball instead. Play with an adult, brother or sister. When you catch the frisbee read one of the real or alien words then continue.

Example real and alien words: jim, jet, jop, jeb, sej, jug, jeck, ruj.

## Write it

Place a thin layer of shaving foam or washing up liquid into a baking tray or similar. Practise forming the letter j in the foam saying this 'letter talk' as you do: 'Whoosh, umbrella handle, add the dot.'

Once you have practised forming the letter j ask an adult to call out some /j/ words for you to write in your foam. Remember to carefully segment (break down) each word into the sounds you can hear then write it in your foam. Suggested words: jam, jig, jab, job.

## Do it/Make it

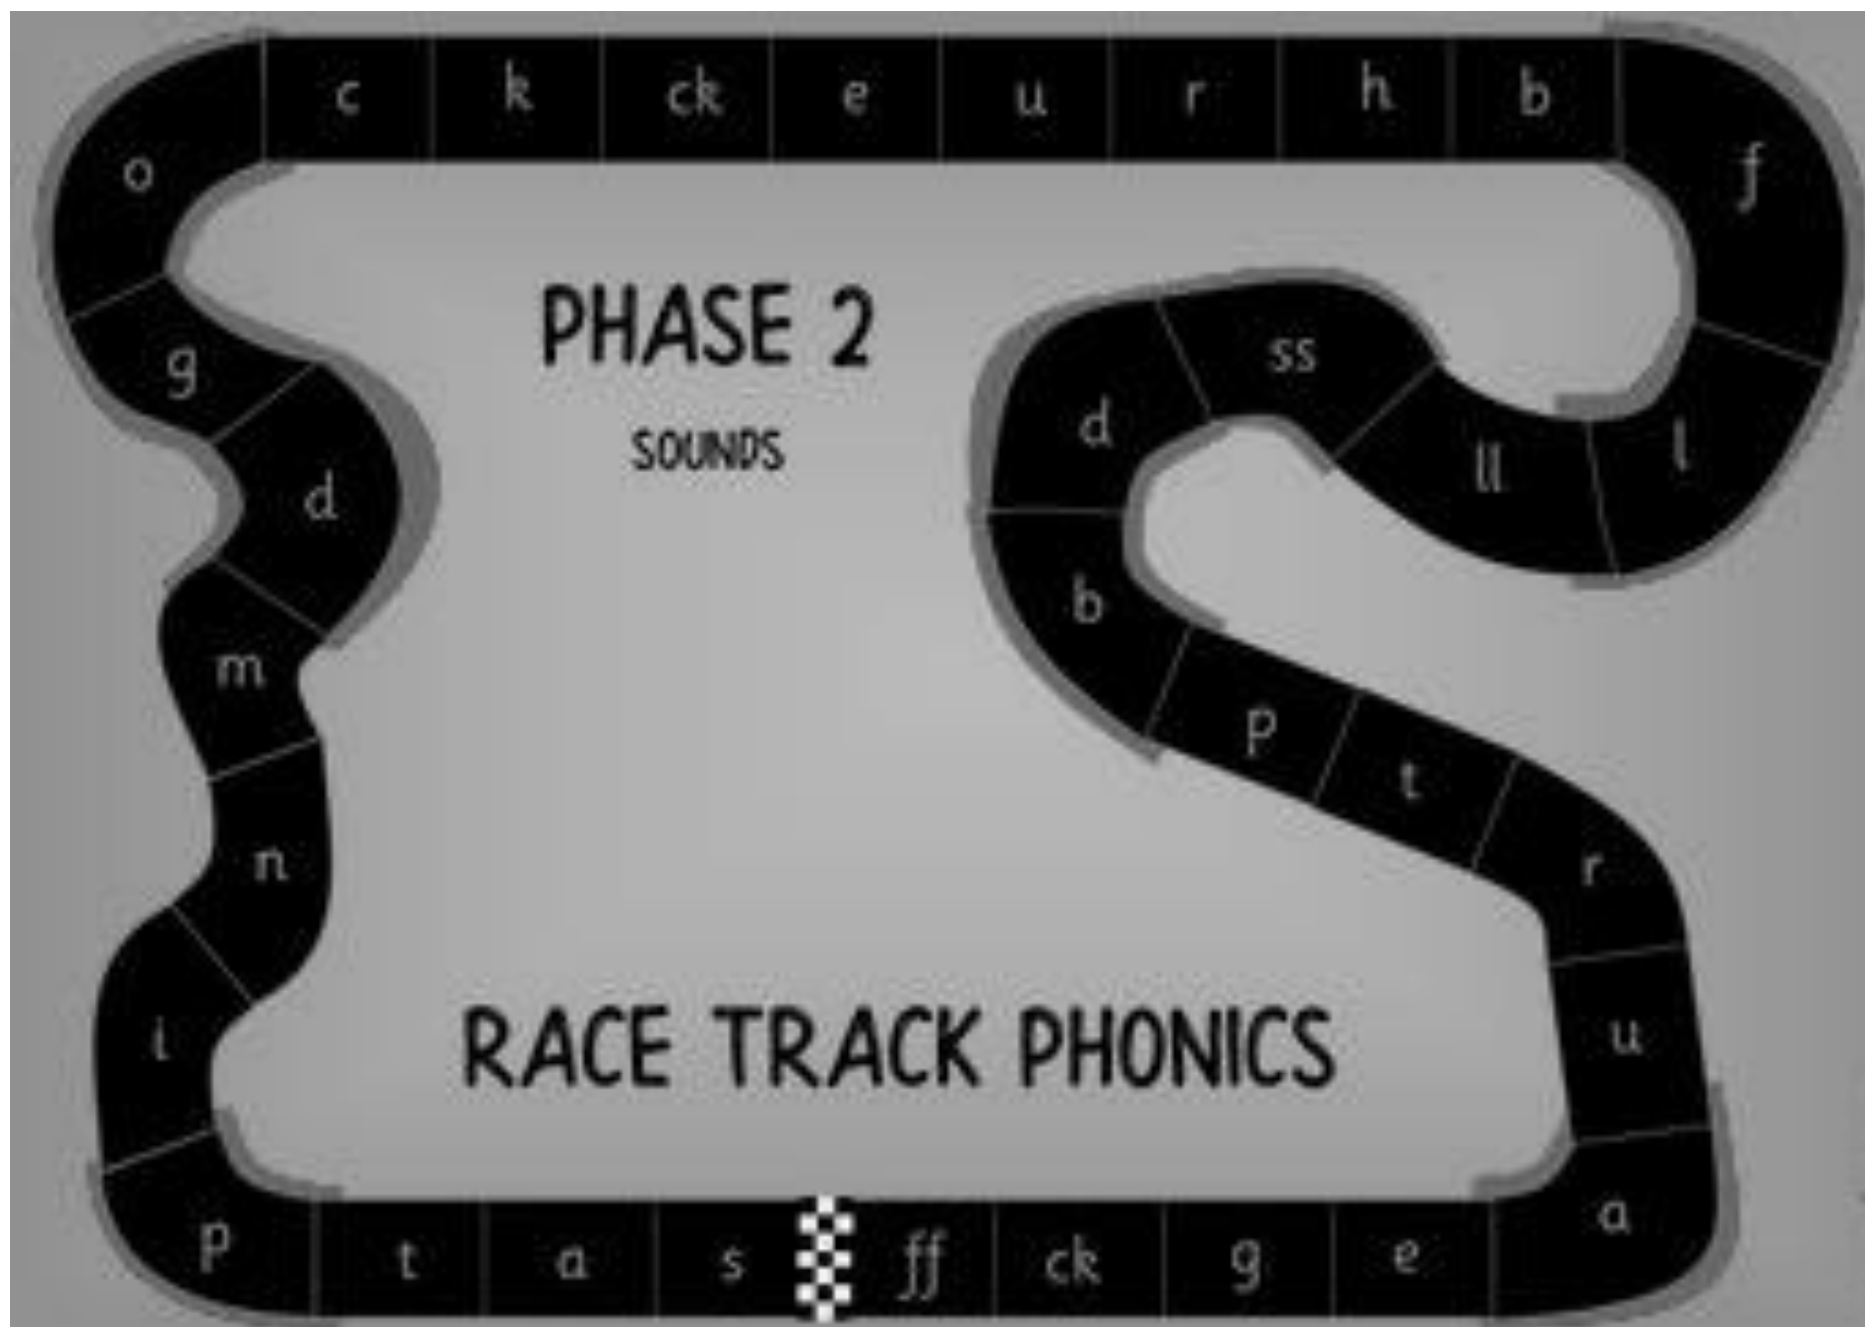

### Jumping for /j/ words

How many words can you think of that begin with the /j/ sound? Take turns with members of your family jumping then saying a /j/ word. With each jump you must say a word beginning with /j/, if you miss a word, it's the next person's turn, the winner is the one who can think of the most /j/ words.

### Jewel j

Make your own jewel j like the example below, use sequins and glitter to decorate your j or use colouring pens to draw them on to your letter outline.
