Dear Parents and carers,

**Re: Bewl Water Trip**

I am writing to inform you about an exciting opportunity for our Raven and Jackdaw classes. We have organized a trip to Bewl Water, which will take place from the 19th to the 21st of February for Raven class and from the 21st to the 23rd of February for Jackdaw class.

This trip offers a wide range of adventurous activities that provide valuable learning experiences for the participating students. Based on its tremendous success in previous years, we are confident that your child will thoroughly enjoy this trip and benefit from its educational aspects.

In order to secure a place for your child, we kindly request a non-refundable deposit of £50, payable by the 31st of October. The total cost for the trip will be £200. Please note that in order to ensure smooth logistics, the final payment of the remaining £150 is required by the 31st of January. However, we understand that this may pose a financial burden for some families. Hence, we are more than happy to receive monthly instalments of £50 to ease the financial responsibility.

More detailed information regarding kit lists and travel arrangements will be provided closer to the date of the trip. We aim to ensure that both students and parents are well-prepared and have all the necessary information to ensure a successful and enjoyable experience.

To secure your child's place on the trip, please complete the online consent form, on the school's website, and transfer the £50 through EduSpot. For the trip to go ahead we will need to have a minimum of 50 participants, so if we do not meet this threshold we will be unable to proceed and will return the deposits.

If you have any further inquiries or concerns regarding the trip, please do not hesitate to contact me directly or make an appointment with the school office. We are here to answer any questions you may have to alleviate any worries or uncertainties.

Thank you for your continued support and cooperation in providing valuable educational experiences for your child. We count on your commitment and look forward to a rewarding and memorable trip to Bewl Water.

Yours sincerely,

Mr Tristan Wyatt-Hughes  
Deputy Headteacher
