

## Dove and Wren Class Parents and Carers

We are so pleased and proud with how the children have been coming into school this week and so on Monday 18<sup>th</sup> September the children will come to school at the main school gate with the other children.

This is the gate near the main office. You will see other children entering the school this way. The gate opens at 8:50 and will shut at 9:00. You have to be in school by 9:00 or you will be marked late to school.

There will be staff and our year 6 ambassadors to help the children walk to the classroom as you say goodbye at the gate and they walk to the classroom independently. We have talked about this with the children in the class and so they know what to do. If your child prefers to enter at a calmer time then we would suggest you arrive just after 8:50 as this is the busiest time to enter.

This is the same gate you will be using on Monday for collection at 3:15 (the gate will open shortly before) when you come to pick up your child up, you will walk to the outside area and make a single line behind the class sign. This allows the children to be safely dismissed and helps make the process easier for the children and staff. Once you have collected your child please move on so that the next child can be released.

There will be staff members about to help with this on Monday.

Have a super weekend.
