

## Week 5 Newsletter - Term 2!

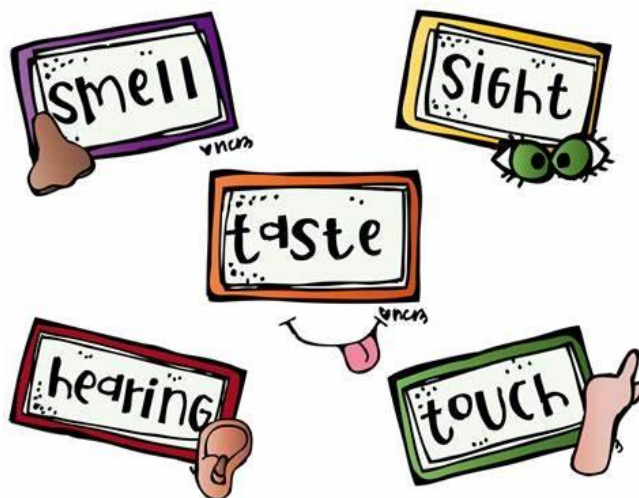

It was great to see so many of you at our 'Books and Biscuits' event on the 22<sup>nd</sup> November. Thank you for coming along and we hope that the session was useful for you all. If you have any questions about reading with your child then please do speak to us. It has been another

busy week in Year One, we have continued our writing linked to 'Lost and Found', and are especially proud of our fact files about penguins. In maths we are learning about addition

problems and next week we will be looking at subtraction. In Science we are learning about

our senses.

We are making good progress with learning our songs for the very special nativity play on the **8<sup>th</sup> December**.

Show and Share – 29<sup>th</sup> November, from 3.15pm. Come along and see what your child has been working on this term. There will be an opportunity to look through books and discuss with your child's teacher during the event.

PE and Forest School – PE is on Monday and Wednesday next week. Children need to wear forest school clothes in as normal for our morning Forest School and uniforms in a bag with shoes for the afternoon.

Parents reading to the class – if you would like to do this then please speak to an adult during pick up. We would love you to come and read to your child's class.

Mrs Morrell, Kingfisher Class Teacher
