Newsletter – w/e 10th February 2023

End of Term 3 today—wishing everyone a happy half term and we look forward to welcoming everybody back to school on Monday 20th February.

Please can we remind carers with car park tokens to wait until barrier is down before coming into the car park. We are finding that if anyone queue jumps the barrier it causes issues and we are having to manually open it for each visitor. We would appreciate your support. Thank you

Parent consultation evenings

We will be running our parent consultation meetings virtually again next term. KS1 events will be on Tuesday 7th and Thursday 9th March. KS2 will be on Monday 6th and Wednesday 8th March. All events will be from 3pm—6pm. The slots last 9 minutes per child. If you have any specific learning questions you would like answered at the meeting please include it when you book your session.

Separated parents can book an appointment each. Please follow the links we will send to your mobiles. Please ensure you check to make sure the system works with your computer before the day so that the event runs smoothly.

If you have any questions regarding the events either speak to your child's class teacher or the school office. Thank you

Don't forget  
parents  
evening!

Disabled bay—please can we encourage parents and children to walk on the block paving around the disabled bay parking area. Lots of children are running across the roadway and this is incredibly dangerous, and drivers are struggling to exit the parking spaces safely. Thank you for your co-operation on this matter.

Conversation starters for the holiday

How many books can you read over the week off school?

Which was your favourite and why? Would you recommend it to your friends...

What will you be doing over half term—will you visit the park? Will you visit your going out on a day trip?

Can you write or draw a picture to show your teacher when you come back to school?

We are now half way through the school academic year, what do you hope to achieve in the next part of the school calendar—are you looking forward to a trip to the beach? To seeing which class you will be joining? To starting your new secondary school?

family? Are you

## WORSHIP

This term, we have enjoyed exploring the value 'courage' – it has impacted all of us! During worship this week, we have been thinking about 'encouraging others', which linked in well with the theme for Children's mental health week – 'Let's connect'. On Monday, we discussed the impact of our words and actions and how they can both 'encourage' and 'dis-courage' others. On Tuesday, we considered how we can 'spur one another on toward love and good deeds' (Hebrews chapter 1 verses 24-25) and our worship on Thursday was led by the Year 2 teachers, who continued to explore our theme. To end the week, we had our praise worship which included songs chosen by the Year 2 children. Memory verse of the week: 'Be strong and courageous, do not be afraid, do not be discouraged, for the Lord, your God will be with you, wherever you go.' (Joshua chapter 1 verse 9). What powerful words of encouragement, hope and comfort!!
