Information on holiday activities within the Kent borough for Summer 2022 is now available. The scheme which is aimed at young people ages 4-16 years features a range of activities, workshops and clubs which are offered by local providers to help keep children stimulated and active during the holidays. The activities are promoted by the Borough Council and many are supported by a 50% discount for families who are on low incomes and hold a TMBC Leisure Pass.

All bookings should be directed to each provider as stated on the website.

### PTA news

The total raised from the Summer Fayre is an amazing £2000. Thank you so much, the money will be put to good use.

We will be selling refreshments at the KS2 sports day and continue with ice cream sales.

Thank you for your support—we are hoping to share the plans we have for items purchased for the school in due course. Also look out for our plan for next academic year events.

**PARKING ON WORRALL DRIVE**

A message from Kent Police:

We have been receiving complaints about the inconsiderate parking at the school, in particular parking fully on the pavement, on the road island and blocking the paths for access for pushchairs.

I have contacted the parking enforcement office and as you can appreciate, although this is an issue in most schools, we can't get to them all at the same time. The responsibility for the safeguarding for the children is with the parents when they leave school. I would be really grateful if you can reiterate this in a school letter as our next approach will be enforcement.

**Walking Bus**

With the message from Kent Police in mind, would anyone be able to volunteer to supervise the walking bus if we restarted this. Probably need one from Wouldham Rec and another from Peter's Village. If anyone is interested please speak to the school office in the first instance.

**Conversation starter:**

If you could be a famous athlete, which sport would you choose to compete in and why?

If you could travel anywhere, where would you go and what would you do there?
