Headlice

We have been notified of some children with headlice. Please can we remind all parents and carers to check children's hair regularly and treat if necessary to stop the cycle. It is also always helpful to tie long hair back and the use of hair spray can sometimes prevent headlice jumping from head to head.

**BARRACUDAS HOLIDAY CAMPS**

Each year hundreds of schools and colleges get behind [Children's Mental Health Week](#), helping to support thousands of children, parents and carers. Taking place 6-12th February, this is a great opportunity to highlight the importance of young people's mental health.

Barracudas provide fun experiences and improving children's mental and physical health in the school holidays, so couldn't be more on board with this annual campaign. With that in mind, our February schools resource sheet includes fun mindful activities to help boost children's mental wellbeing.

As they are Ofsted registered, they also accept ALL Childcare Vouchers and Tax-Free Childcare.
