KENT ADULT EDUCATION – Our family scrapbook course

We are pleased to host another course run by Kent Adult Education. The course is called “Our family scrapbook” and is a parent and child workshop for any children aged between 5 and 11 years.

The course lasts 4 weeks and is held at school from 1.15 – 3.15 pm. The first session is on Monday 15 January, then the next 3 Mondays after that. You will have to attend all 4 sessions. We will bring your children down to the hall for the event.

The course is FREE.

You will design and make your own family scrapbook to record your treasured memories, explore and develop your creative skills and improve your photography skills.

The courses are informal and good fun. In addition it gives you the opportunity to meet other parents and children from school.

There are limited spaces so please email the office to confirm your interest. We’ve had really good feedback on the paperworks course held today see attached feedback sheet for comments.

If you require any further information please contact the school office.

Kind regards
